## SCLLN QUARTERLY MEETING AT NB

Earlier this month, Project Adult Literacy hosted the Southern California Library Literacy Network Quarterly Meeting. Multiple Literacy program staff members visited the Newport Beach Library and discussed various literacy topics including Writer to Writer entries, the upcoming SCLLN Conference, best practices for tutors, learners and staff, and more. We are looking forward to continuing to collaborate with other Southern California Literacy programs.

## TUTOR CONNECTION RECAP

Last week's Tutor Connection was a great way for tutors to learn and connect with each other. At this event, we went in to depth more about the different learning styles, CEFR assessments for learners and had some great discussions about how to improve tutoring sessions.

If you were not able to attend and would like a copy of the Tutor Connection folder, we have a few more in the office - first come first serve.
